RELEVANT EXPERIENCE

Graduate Assistant Fall 2021 — Present
Department of Communication Sciences and Disorders
• Assisting Dr. Ying Hao in clinical research and undergraduate courses

Research Assistant Fall 2020 — Spring 2021
Department of Communication Sciences and Disorders
• Operated as a research assistant under Dr. Rebecca Lowe and Dr. Ying Hao, providing education audiology services to Deaf and hard-of-hearing children via tele-practice in two local school systems
• Analyzed and scored assessments such as the PPVT, CELF, and TAPS
• Collected language samples through narrative retellings
• Utilized Systemic Analysis of Language Transcripts (SALT) for language samples
• Collaborated with fellow research team members and school professionals to implement accommodations and modifications for children in the school systems

Undergraduate Clinician Fall 2019
University of Mississippi HILL Program
• Participated in an undergrad practicum 8 hours per week through HILL, a program that treats children ages 3-5 with a range of receptive and expressive language delays
• Personally shadowed a child with autism at least 8 hours per week
• Supervised and participated in daily playtime to promote receptive and expressive communication
• Observed the use of AAC devices such as talking buttons and communication boards
